Drain Laying Certificate

This is to certify that _____

Address _____ Phone # _____

Having executed and filed the required Bond (**Five Thousand- \$5,000.00**) is hereby licensed by the Department of Zoning and Code Enforcement of the City of Central Falls to lay drains and appurtenances and to connect the same with public sewers.

The conditions of this license are that the said licensee shall, at all time, and in all respects, carefully and truly observe the laws and ordinances relating to thereto, and the rules and regulations and conditions which have been or may hereafter be established by the Zoning, Code Enforcement, Public Works, and the State of Rhode Island, respecting the construction of drains and appurtenances in connection with such sewers and shall faithfully perform all the conditions of the mentioned departments aforesaid which is hereby referred and for full description of said conditions.

You must get an in-ground inspection from the plumbing inspector prior to backfilling. Drain layer is responsible for obtaining all necessary N.B.C., D.O.T., and/or D.E.M. permits (wetlands) where applicable. This license shall expire one (1) year from date of issuance and may be revoked at any time, for cause, at the discretion of the Department of Zoning and Code Enforcement. **Sewer connection fee \$100. 00.** Please make check payable to the City of Central Falls.
